

MG Cleaners Rig Washing

- During rig move, walking the rig or you just need the rig spotless in a timely because of inspection or audit we are available!
- We come out and with a two man crew can generally have your whole back yard and subs cleaned including removing hard water , rust and carbon stains within 12 hrs! This is a huge benefit to you because you don't have to tie up hands washing while rigging down or doing other tasks!
- We do mud tank washing when switching from water base to oil base mud

We know that our experienced wash crew will be a huge help to you and at a similar price that you would pay for renting pressure washers you can have our professionals come out and do the whole job for you!
